STATION 6 LIEUTENANT'S REPORT

Maintenance:

Old –

- New chair project: ***Chairs being delivered Nov 4.***
- Fire Alarm panel phone connections, repaired by Century Link. Line 2 was completely failing to connect; Line 1 was intermittent according to Century Link. ***No new issues this month.***
- NW Bay Door: Stopped working on 9/20, Applegate responded to repair 9/24 and are continuing to make repairs to door to get it back to functioning. ***Door has completely been repaired, sounds like it was a bad sensor not communicating when the door was completely up.***
- Women's bathroom in need of some maintenance after a long period of time with no use. A couple light fixtures, and the shower head need looked at. Working with Bob on the light fixture issue, handling the shower head myself. ***Shower head replaced, NW Mechanical looked at light problem briefly, unknown who is making the repair at this time.***

New –

- Drains continue to back up in kitchen sink and men's shower #1. This has occurred monthly since my arrival (sounds like longer than that according to RRV's). Talked with board about a more permanent fix, rather than calling plumber every month. Heidi and Bob are working with plumbers.
